

REMARKS

A typographical error has been found in the response filed February 3, 2005 in the above-identified application. Page 2 of that response replaces a paragraph at page 8 of the specification to correct a minor error. Inadvertently, the paragraph was incorrectly identified as beginning at line 17 but should have been identified as beginning at line 29. The correction made is as follows: Inverter [[Iv1]] 1. It is evident that the deleted text, as well as the un-amended portion of the paragraph corresponds to the paragraph beginning at line 29.

Entry of the Amendment and allowance of the application are respectfully solicited. To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
